Main Point: Gratitude is being thankful for the amazing gift of Jesus. God gave us everything, so we can share with other people, so that people will praise God!

Discussion Questions

1. Before you read the passage, on a whiteboard or a piece of paper, write down all the characteristics of God that you are thankful for. As you read through Psalm 103, see which ones match. Add in a new colour the ones you didn't write down.

Read Psalm 103:1-5

2. Who wrote this Psalm? What was his life like? Was it easy and without trouble?

3. Some Bibles say “Bless the Lord” instead of “I will praise the Lord”. Do you think this changes the meaning? Why or why not?

4. What are the reasons we should praise God?

5. What should we do when we remember everything God has done, and what he is like?

6. What helps you remember what God is like?

7. Of all the different characteristics of God, which one do you want to remember more this week?
